Lessons are held rain or shine.

Lesson Levels

Guppy: Water adjustment for young children.

The object of this class is to help students feel comfortable in the water. Students will work on bubble blowing, breath control, putting their head in the water, floating, kicking, getting submerged rings, and introducing arms skills.

Seahorse: Fundamental skill building class.

*Students must be able to float on front and back comfortably without support for 10sec. Be able to comfortably submerge head underwater.

Students will begin rolling on their back to breathe, kicking independently, and diving for submerged rings.

Sea Turtle: Focus on unsupported crawl skills (freestyle/backstroke).

*Students must be able to do a front and back float without support for 10 seconds, be familiar with rolling on their back to breathe, and know the basic movements of the arms and legs.

Students will focus on mastering rolling on their back to breathe while coordinating arm circles on their tummy and becoming familiar with backstroke.

Stingray: Stroke Development of freestyle with side breathing.

*Students must be able to roll on their back to breathe and be capable of jumping from the side of the pool and swimming 5 yards

Students will learn to do freestyle with side breathing, backstroke, and dolphin kick. Breaststroke kick and sitting/kneeling dives from the side of the pool will also be introduced.

Seal: Increase endurance of freestyle and backstroke.

*Students must be able to 10 yards of freestyle, backstroke, and dolphin kick. Students will continue to build their freestyle and backstroke, dolphin kicks, and breaststroke kicks and will be introduced to standing front dives as well as breaststroke pull and timing.

Dolphin: Refinement & coordination of key strokes.

*Students must be able to swim freestyle and backstroke 15-25 yards with side breathing, dolphin kick and breaststroke kick.

Students will continue with freestyle, backstroke, breaststroke and diving, and will be introduced to butterfly, treading water, and sculling.

Orca: Polish key strokes and more endurance.

*Students must be able to swim at least 25 yards of freestyle, 25 yards backstroke, and understand the basics of breaststroke and butterfly. Students will be introduced to open turns, flip turns and shallow dives. As well as endurance building for all strokes. Stroke refinement is the key in this class. This class is designed as a prep class for Wind N' Sea novice swim team.
